“1 TREE IN THE NAME OF MOTHER”

Our NGO Amrit Bharat recently carried out a heart-warming initiative called “1 Tree in the Name of Mother”, a program dedicated to honoring mothers and nurturing the environment at the same time. Under this campaign, every participant planted a tree as a symbol of love, respect, and gratitude towards their mother, making it a living tribute that will continue to grow for years to come. The program beautifully combined emotional values with environmental responsibility, encouraging families to connect their affection for their mothers with a sustainable act of protecting nature. By planting these trees, we not only created green memories but also contributed to cleaner air, a healthier environment, and a stronger bond between society and nature. This initiative reflects our belief that mothers and Mother Earth are both nurturers of life, and celebrating them together makes the gesture truly meaningful.

SCHOOL KIT DISTRIBUTION PROGRAM

Our NGO Amrit Bharat recently organized a School Kit Distribution Program with the aim of supporting underprivileged children in their educational journey. The program was carried out with a spirit of care and compassion, ensuring that each child received essential learning materials such as notebooks, pens, pencils, erasers, and school bags. Through this initiative, we wanted to ease the burden on families who often struggle to afford basic educational resources, and at the same time encourage children to attend school with enthusiasm and confidence. The joy and excitement on the faces of the children while receiving their kits was truly heartwarming, reminding us of the importance of small steps in bringing big changes. This program not only provided material support but also reinforced our commitment to nurturing the dreams of young learners and promoting the value of education in society.

FREE FOOD DISTRIBUTION PROGRAM

Our NGO Amrit Bharat recently carried out a Free Food Distribution Program with the aim of supporting underprivileged and needy families in our community. Through this initiative, we provided nutritious meals to those who often struggle to arrange even the basics of daily sustenance. The program was not just about serving food, but also about spreading warmth, care, and compassion to people who deserve dignity and respect. Many volunteers and supporters came together to make this effort successful, ensuring that no one in our reach slept hungry that day. This small act of kindness strengthened our belief that collective efforts can bring meaningful change, and it has encouraged us to continue working for the welfare of society with the same spirit.
